Professional Summary

Results-driven and detail-oriented Frontend Developer specializing in building responsive, high-performance web applications using React.js, TypeScript, and JavaScript (ES6+). Developed and implemented dynamic Single Page Applications (SPAs) that deliver intuitive user experiences with optimized UI performance and cross-browser compatibility. Architected reusable components, integrated RESTful APIs, and configured build pipelines using Vite and Webpack to streamline development workflows. Collaborated wi...

Technical Skills

React.js • TypeScript • JavaScript (ES6+) • HTML5 • CSS3 • Tailwind CSS • Jest • Vite • Webpack • REST APIs • Git/GitHub • UI/UX Implementation • Cross-Browser Compatibility

Professional Experience

Software Engineer | Samin TekMindz India Pvt. Ltd.

Jan 2021 – Present | Delhi, India

- Developed and optimized dynamic Single Page Applications (SPAs) using React.js, TypeScript, and Tailwind CSS, improving page performance and responsiveness.
- Implemented and maintained reusable UI components to ensure design consistency and faster development cycles.
- Integrated RESTful APIs and managed state using modern React hooks and context-based architecture.
- Collaborated with designers and backend developers to translate UX wireframes into functional web components.
- Configured build tools such as Vite and Webpack, streamlining development workflows.
- Tested and debugged applications using Jest and browser dev tools, enhancing code reliability and reducing production bugs.

Projects

Smart Dashboard Platform (React.js, Tailwind, REST API)

- Developed a real-time analytics dashboard for internal reporting.
- Integrated APIs for fetching live metrics and visualized data using chart components.
- Optimized rendering performance by implementing memoization and lazy loading.

E-Card Management Portal (React.js, Vite, TypeScript)

- Architected reusable UI modules and configured build setup with Vite for improved performance.
- Implemented user authentication and responsive layouts with Tailwind CSS.
- Collaborated with cross-functional teams to deliver features before deadlines.

Education

Bachelor of Computer Applications (BCA)

Maulana Mazharul Haque Arabic and Persian University (MMHAPU), Patna, Bihar
